

# WINTON A VISION SPLENDID

I love a sunburnt country,  
A land of sweeping plains,  
Of ragged mountain  
ranges,  
Of droughts and flooding  
rains.

I love her far horizons,  
I love her jewel-sea,  
Her beauty and her terror

DROUGHT

**RAIN**

# FLOODS

In January 2019 a monsoon trough deepened and moved south before settling over NW Queensland for more than a week.

Areas north and west of Winton received the highest rainfall on record.

In a matter of weeks anywhere between 300mm and 750mm had fallen over the catchment areas for the Diamantina River and tributaries...

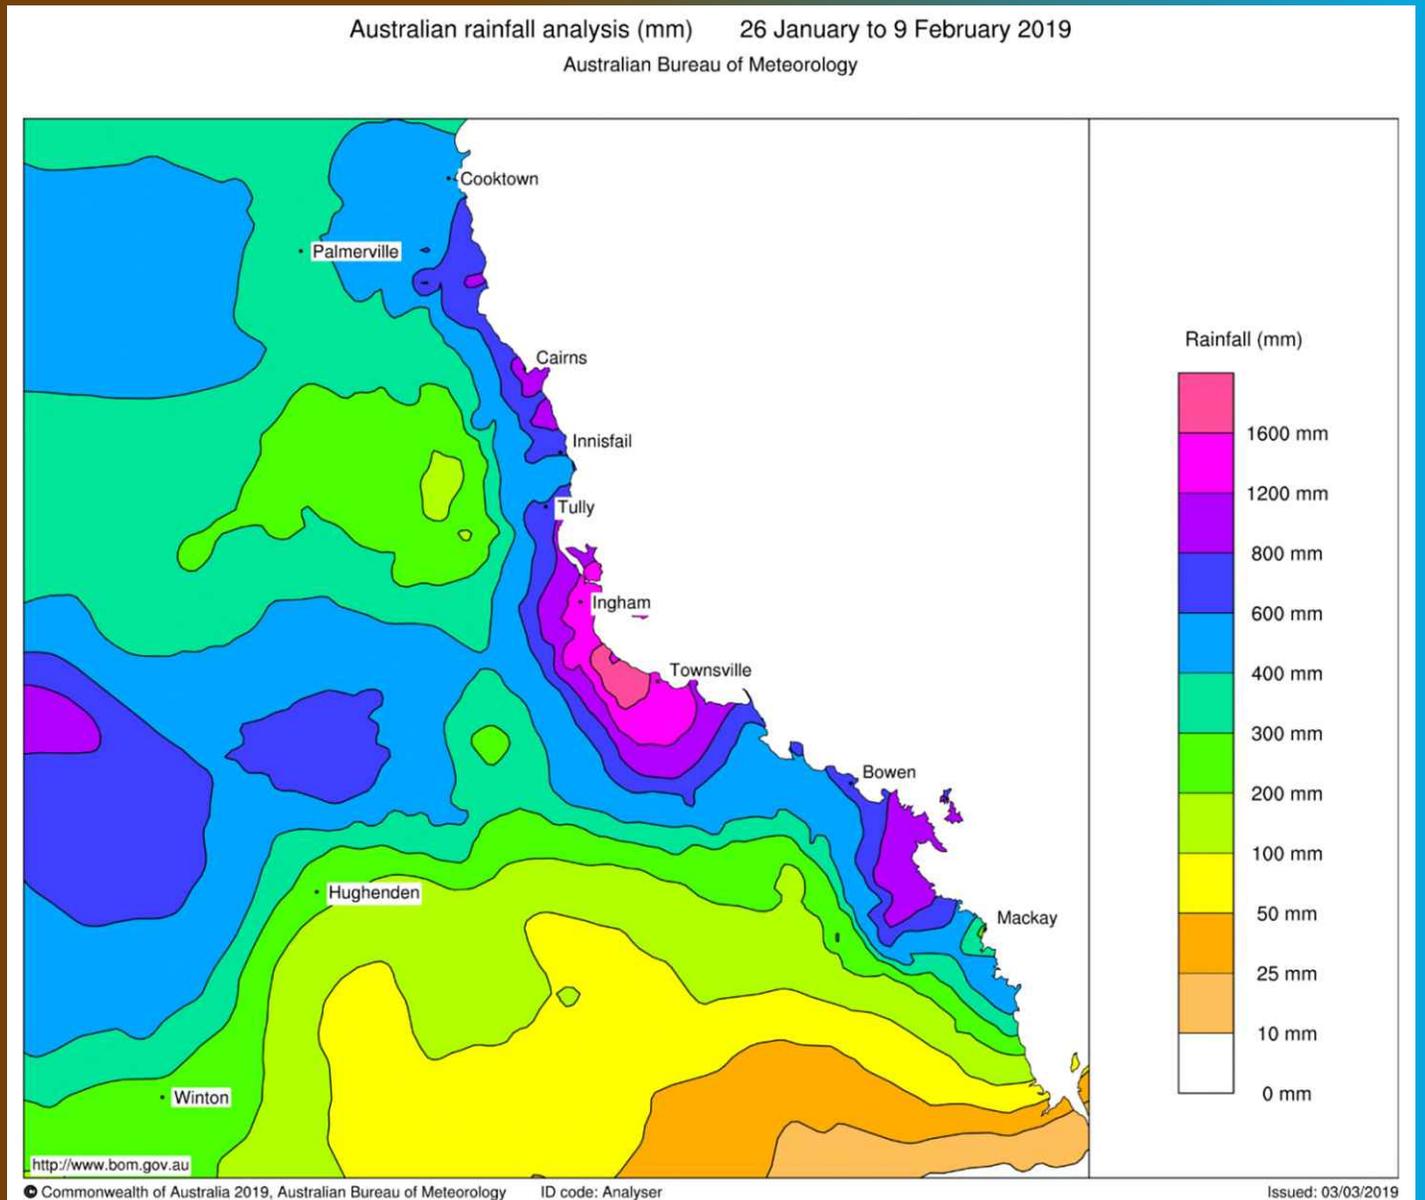

Figure 12: Map of rainfall totals for tropical coastal Queensland from 26 January to 9 February 2019.
