Hi JC, [redacted] disclosure log here.
Congrats on the new role! Sorry we didn't get to catch up during the campaign. I'm heading up Policy for Minister Sam O'Connor. We were hoping we might be able to catch you for a meeting tomorrow at midday?

Hi [redacted], thanks for touching base and congratulations on the new office. I would love to meet the Minister tomorrow. Would you mind emailing me on my new email.

[\[redacted\]@nlec.qld.gov.au](mailto:[redacted]@nlec.qld.gov.au)

I look forward to meeting you and the Minister tomorrow.
